Final Amendment and/or Response
Supplemental Reply to final Office action of 3 June 2004

REMARKS / DISCUSSION OF ISSUES

Claims 4, 5, and the 7-18 are pending in the application. All the pending claims are allowed except for claim 9, to which the Advisory Action objects. In a telephonic interview with the undersigned, the Examiner explained that in the scanned copy of the amendment filed on 9 July 2004 the letter "e" is missing from the word "pocket" in the first line of claim 9. Apparently, this was due to a problem with the facsimile transmission. Claim 9 as amended herewith has the correct spelling of "pocket".

Although the Advisory Action indicated that the amendment of 9 July 2004 would be entered, as suggested by the Examiner in the telephonic interview those amendments are repeated in this paper (with changes only for grammatical and format correction).

The final Office action rejects claim(s) 1-3, 6, and 19-21. Applicant(s) may respectfully disagree with the reason(s) for rejection given in the final action, but cancel(s) the rejected claim(s) without prejudice or disclaimer of their subject matter in order to facilitate issuance of a patent for the allowed claim(s). Applicant(s) reserve(s) the right to continue prosecution of the subject matter of the canceled claim(s) in a divisional or other continuing application.

Accordingly, the application should now be in condition for allowance. If any points remain in issue that may best be resolved through a personal or telephonic interview, the Examiner is respectfully requested to contact the undersigned at the telephone number listed below.

Respectfully submitted,
